Subject: post-FS path forward and schedule
Date: 08/01/2011 01:13 PM

Hi Chip and Kristine,

I know you guys probably have your hands full with resolving comments on the FS elements check-in right now, but the Tribal reps would like to know if you can join us at our monthly tribal meeting in August (by phone or in person) to discuss the schedule and path forward once the FS is delivered in November. We have FY12 budgets due to LWG in early September and need some direction on the likely schedule and workload for FY12. In addition, we realize that many post-FS activities may not be covered by the AOC with LWG (i.e. input and comments on proposed plan, government to government consultations, etc) and would like to discuss funding mechanisms for this work. Our meeting is August 23 from 9am-12:30pm. Please let us know what time works for you. Or if you can't make it that day, please let us know some times that do work before the end of the month. Thanks!

erin
